April 9, 2020

Hello All Members and Friends,

We are writing to you today, as many others, to let you know that during the COVID-19 emergency the church has been closed. Our prayers are that each of you is staying physically and emotionally healthy! As a reminder, the Pastor is available by phone for any situation where you need pastoral care. We are providing on the website a video recording of Randy conducting a worship service each Sunday, and we encourage you to log onto the website, FPCOlney.org, on Sunday morning and participate in worship with us. The video recordings are also available on the church Facebook page, Facebook.com/FPCOlney.

As you know, the financial needs of the church continue, including the important responsibility of providing for our valued church staff. We encourage you, if you are financially able, to continue your practice of tithing and contributing to the church. You may mail your contributions to the church (First Presbyterian Church of Olney, Attention Trustees, 5435 N Third Street, Philadelphia PA 19120) or contributing by using your bank's Bill Pay service or our website's online giving, and we will make certain they are properly credited and deposited. Making your regular contribution amount(s) will greatly assist in providing for the short-term cash flow needs until we are able to see each in person again.

The Trustees are in the process now of applying for the Federal loans and grants to help stabilize our finances during this incredibly difficult time. There are no guarantees, but we are hopeful. In conclusion, the Pastor, Randy Barge, is continuing to pray for us all to stay healthy and is available to minister to your needs.

We look forward to the time when we can all be together again at Third and Tabor and worship our God!

Yours in His Service,

William A. McKeown  
President, Board of Trustees
